CORRECTNESS FOR MEN AND BOYS

CONFESSES, THEN MAKES DENIAL

Treasurer Warriner, of Big Four Railroad, Changes Front During Day.

CINCINNATI, O., November 6.—Charles L. Warriner, the deposed local treasurer of the Big Four Railroad Company, who is charged with the misappropriation of \$54,500, was released from custody late today on a bond of \$20,000.

During the day Warriner made a remarkable change of front. In the forenoon he gave out a statement admitting his responsibility for the shortage, but declaring that there were other involved, who were equally guilty. Later he changed tactics and declared that he admitted nothing. The \$54,500 named in the warrant for Warriner's arrest represents the present amount owing to the railroad company, and not the entire amount of the shortage, which is stated to be about \$100,000.

The balance has been, according to the statement of General Counsel Hackney, covered by property which Warriner has turned over to the company. Mr. Hackney also stated that Warriner had been with considerable frankness in his accounts. He has undertaken to account for the disappearance of the money taken:

"First, through speculation; second, through efforts to speculate; third, through blackmail levied upon him by a former employee, who claimed to know of some such irregularities; fourth, through blackmail levied upon him by a woman friend of that employee."

HISTORY CLASS ROUTED

Applicants for Naturalization Know More Than Brown Students. [Special to The Times-Dispatch.] PROVIDENCE, R. I., November 6.—The naturalization class in the United States District Court put Professor Wilfred H. Monroe's history class to the test today. His students stumbled over a test which was proposed in Maryland as a device for barring negroes from the voting right. It consisted of giving the name of the President and others.

The questions asked the applicants to-day in court were quite similar to those asked the college boys, and whereas at the college there were five complete failures out of twenty-four, to-day's class in court showed only one failure out of thirty-seven. The class came from every part of Europe, and many had not known the English tongue as many years as Professor Monroe's students had spent in high school and college, and all but one gave the names of the President and Governor, occasionally told who the last previous President was, and were found posted as to who made the laws of the United States and Rhode Island.

VERDICT OF MANSLAUGHTER

Fourth Trial of Grant Brigman for Killing Uncle Barely Escapes Mistrial. ASHEVILLE, N. C., November 6.—After being out since Wednesday afternoon, the jury in the case of the State against Grant Brigman for the killing of his uncle, John W. Brigman, near Barnardsville, last May, came into court today to announce for the fourth time that it could not agree on a verdict. Counsel for the defendant then announced that they would accept a verdict of manslaughter for their client. The foreman of the jury stated that he would not agree to such a verdict unless the judge would consent to give the defendant the minimum sentence. Somewhat angrily the judge replied that he was not on the bench to make terms with a jury as to its verdict, and he was about to order a mistrial when the foreman asked permission for the jury to withdraw. It shortly re-entered the courtroom with a verdict of manslaughter, and Judge Adams sentenced Brigman to four years and six months on the county roads.

Trains From North Delayed.
On account of a railroad wreck in Jersey City yesterday afternoon, blocking the main line of the Pennsylvania for several hours, all trains from the North coming into Richmond were from four to six hours late. The Richmond, Fredericksburg and Potomac train dispatcher reported that there was no trouble on that road, but that the delayed trains were being handled as rapidly as they could be turned over to the road in Washington.

Mrs. Tate To Speak.
Mrs. L. B. Tate, of Korea, will address the quarterly meeting of the Woman's Foreign Missionary Society of Grace Street Presbyterian Church to-morrow afternoon at 4 o'clock.

WILD WEST SHOW BREAKS UP HERE

Colonel Cody Says Farewell to Riders of All Nations.

With hand uplifted to his gray sombrero, Colonel William F. Cody, known throughout America as "Buffalo Bill," last night saluted the 600 members of his Congress of Nations as they passed by him in their last review for this year. In view of the fact that they disbanded here the scene in the Wild West show was not without pathos and feeling when the representatives of many nations said farewell for a season to their star-haired leader, who, for so long a time, has set before the people of America the picture of the golden West as it was forty years ago. As the strains of "Auld Lang Syne" drifted out upon the night, the long procession of many colors and many nations cantered by, greeting for the last time this year the splendid old warrior of the early West.

Within half an hour after the crowd had left the show the tents had been folded back into compact shape, and the long caravan of the equestrians was beginning to journey toward the station. The little city of the West for the first time in many months was left without the presence of the show. The permanent fixtures of the show go back to Trenton, N. J.

Colonel Cody's Guests.
The Wild West, as depicted by Buffalo Bill, is a classic, and yesterday afternoon and last night delighted a tremendous crowd of spectators. Colonel Cody's guests, the children of the Masonic Orphanage and of the Male Orphan Asylum, were there yesterday afternoon. In memory of his beloved friend, Colonel Allison Naylor, of Washington, Colonel Cody never fails to invite these little ones.

Beginning with the Congress of Nations, bringing into display the equestrians of all the nations. This was an impressive feature, and when the United States cavalry came into sight there was a round of hearty applause. From the start to the finish the show was of the best quality, and every feature received a liberal tribute.

WHAT IS HYOMEL?

You Have Heard About the Catarrh Cure the Tragle Co. Guarantees.

Hyomel is a wonderful antiseptic, so powerful that it promptly destroys germ life, yet its action on the mucous membrane is extremely soothing and healing. It relieves catarrh in five minutes; it cures in a few weeks, or money back. It is made chiefly of eucalyptus and eucalyptol taken from the eucalyptus forests of inland Australia. The medical profession knows that eucalyptus is an absolutely certain germ destroyer, and with the active principles of eucalyptus as a base, Hyomel is made more efficient, pleasant and quick acting by the addition of Thy-mol, an antiseptic and disinfectant largely employed in the Listerian System. Guaiacol and other important medicinal agents are also included in the Hyomel formula, which, without doubt, is the greatest destroyer of catarrh germs the world has ever known. Hyomel is a powerful, penetrating antiseptic that is pleasant to use. It does not contain a particle of cocaine, opium or any habit-forming or injurious drug.

No dosing the stomach when you use Hyomel. Just breathe it in through the small inhaler that comes with each outfit. Sold by leading druggists everywhere and in Richmond by the Tragle Drug Co. at \$1.00 for complete outfit.

MI-ONA
Cures Indigestion

It relieves stomach misery, sour stomach, belching, and cures all stomach disease or money back. Large box of 50 cents. Druggists in all towns.

of approval. The trained elephants, the Japanese acrobats, the whirling dervish—all these evoked great applause.

The artillery drill was especially effective as a scene, and the agile feats of the men in red attracted much favorable attention. The cavalry maneuvers were very interesting, and the feats of the one man on three horses were very striking.

Unexcelled in the annals of the unusual was the complete execution of the Virginia Reel by cowboys and cowgirls on horseback, in which every movement was carried out in perfect form. The work of the Zouaves in the manual of arms and in scaling the walls was worthy of the highest praise. The broncho riding was superb, and brought out much applause. The Americans proved themselves first-class riders in every way.

Last night the paraphernalia was sent back to Trenton, while the performers will ride to the ends of the earth, hoping to reunite under the pennant of Buffalo Bill.

The usual historic scenes were shown, and interest in the old thrilling scenes of the West was undiminished.

Tausig Going Away.
WASHINGTON, D. C., November 6.—Rear Admiral R. A. Tausig, commandant of the navy-yard at Norfolk, has been granted leave of absence from December 11 to go abroad for one year. He will soon be placed on the retired list. Admiral Tausig's successor has not been announced.

REICH—Memorial services for PAUL REICH, who died recently, will be held at 8 o'clock at the Bethel Lutheran Church THIS (Sunday) EVENING at 8 o'clock.

What is Duffy's Pure Malt Whiskey?

It is an absolutely pure distillation of malted grain, great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a medicinal whiskey; softened by warmth and moisture, its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

It is a gentle, invigorating stimulant and tonic.

What Does It Do?

It builds up the nerve tissues, tones up the heart, gives power to the brain, strength and elasticity to the muscles and richness to the blood. It brings into action all the vital forces; it makes digestion perfect and enables you to get from the food you eat all the nourishment it contains.

It is invaluable for overworked men, delicate women and sickly children. It strengthens and sustains the system, is a promoter of good health and longevity, makes the old young and keeps the young strong.

It cures nervousness, typhoid, malaria, every form of stomach trouble, diseases of the throat and lungs, and is recognized as a medicine by doctors of all schools.

Thousands of letters have been received from men and women in all walks of life, many from those nearly 100 years old, extolling the virtues of Duffy's Pure Malt Whiskey as the world's greatest medicine.
